The Rest

Follow Warmlands for 0.45 miles. At this point Warmlands makes a right turn. But you can continue to go straight ahead - go straight ahead. You are now on Vista Grande. At the top of the hill Vista Grande turns to the right (after a green house on the right). Follow Vista Grande. Turn left on to Elevado Road (you have traveled 0.9 miles since you left Vista Way). Follow Elevado to the end of the road. There are several opportunities to leave Elevado - please resist this urge. At each point where you have a choice - check the signs. Also, **after 1.3 miles on Elevado (at the intersection with Flametree) there is a very deep dip in the road. Please go slowly over this dip or your vehicle will be damaged.**

At the end of Elevado Road (0.3 miles after the dip) - turn left and go down the driveway to the bottom of the hill and then turn right. Follow the driveway up to the house.
